Dear Parent/Carer

Year 7 Parents' Information Evening

Thank you for attending the Year 7 Parents' Information Evening on Tuesday evening. We hope you found the information useful and enjoyed the opportunity to meet other parents, staff and the AHSA. The slides from the evening are available [here](#) for your reference.

To answer a few of the common queries we had, please see below:

EduLink

A link to a guide for EduLink can be found [here](#) and under the Parent tab on our [website](#). We encourage you to have a look at this to find answers to common questions and to ensure that you are accessing all of the information it offers.

Staff email addresses

Unfortunately, we are no longer able to publish a list of these on our website due to GDPR laws and cybersecurity concerns. If you need to contact a particular member of staff, the easiest way to do this is email office@ahs.bucks.sch.uk and kindly ask them to pass the message on to the relevant staff member.

Upcoming dates

Year 7 data reports will be issued to parents in December. This will provide you with a brief update on your child's progress so far. A guide on how to interpret the information will also be issued alongside.

The Year 7 online consultation evening is on Wednesday 4th December from 5:00pm to 7:30pm, where you will have a chance to speak with subject teachers about your child's progress. Some more information including how to use the online parents evening booking system will be sent out closer to the time.

We have two INSET days coming up where students will not attend school: Friday 25th October and Monday 4th November.

As I mentioned in the evening, students often find this time of the year quite challenging as we head towards the end of an extremely busy and long half term. We continue to encourage both students and parents to reach out if they are facing any challenges that we might be able to help with. Otherwise, in advance of the upcoming half term break, we wish you an enjoyable and restful week!

Kind regards

Miss C. Morrin
Head of Year 7
