Developing uniquely talented young adults, who are independent, strong and confident

Tuesday 11 February 2025

Dear Year 9 Parents/Carers,

Key Stage 4 Options Information Evening - Wednesday 5 March 2025

Following our previous communication regarding GCSE Options for the 2025-2027 cohort, we are writing to inform you of an important enhancement to the Information Evening.

In addition to the planned presentation and form tutor availability, Heads of Department or subject representatives for the Option subjects will now be present at the event. This valuable addition will allow you and our students to engage in more detailed conversations about individual subjects, course content, and potential career pathways. You will have the opportunity to ask specific questions and gain deeper insights into each subject area before making your option choices.

We have also recently updated the GCSE Options section of our website. This updated information provides an overview of each subject, including content, assessment methods, and special features of each course. We strongly encourage you to familiarise yourself with this information before attending the Information Evening, as it will help you make the most of your time with the Heads of Department. You can find the updated information [here](#).

The Options subject staff will be available alongside form tutors from 5:00 until 5:30pm. We encourage you to attend this important event to support your daughter to make the most informed decisions about her GCSE options.

We look forward to seeing you there.

Yours sincerely

Mrs C Wilkes
Deputy Headteacher (Curriculum)

Mrs S Saunders
Head of Year 9
